

THE PREMIUM TALKSWITCH BUSINESS PHONE

The perfect phone for those who understand that every call counts. Our premium business speakerphone, the TS-600 features a large adjustable backlit LCD display, a sleek, user-friendly interface and versatile programmability. This analog phone has superior sound quality and sleek headset integration, with two headset ports and a built-in amplifier. The impressive 7.4-square-inch display is easy to read for enhanced efficiency.

Single-cord convenience: The TS-600 can be powered through a phone cable connected to a wall jack or a cord adapter. Only one cable connects to the phone, making installation easier.

Designed for TalkSwitch: Like all of our phones, the TS-600 is built for smooth integration with TalkSwitch systems.
